
A New Bosnian Pattern?

Hal Hite (see the Bosnian catalog pages this month) has forwarded the following request for help. "Please find enclosed scan of Bosnia 50h issue 1900. Could you identify the perfin ? Perhaps it is only forged fantasy." Anyone with any information concerning this pattern please forwarded it to the *Bulletin* Editor and I will pass it along or send directly to Hal (bosniastudygroup@ verizon.net) with a cc to me. Thanks
